

Subject: LOADS OF LEMONADE EVENT WITH JENNIFER ANNISTON

Dear Amy,

Jennifer Aniston will be a keynote speaker at the Loads of Lemonade event hosted by Alex's Lemonade Stand on Saturday, May 4, at the Central Park Zoo. This event will be accepting donations in return for sweet lemonade.

Alex's Lemonade Stand Foundation is hoping to raise \$10,000 for childhood cancer research at this event. Childhood cancer is something that is not acknowledged by the media and we think that by getting featured on "Good Morning America," we can spread the word about the event. Being that you have survived cancer yourself, we would love for you to relay this message to the public. We feel you are a hero to many people out there and show that we can beat cancer, together.

We hope that you will consider sharing this information with your community. We think your voice would allow people to see the importance in this function. I would need to know by the end of this week if you are able to help us. My phone number is 347-609-5163. Thank you so much for your time and consideration.

Best,
Heather Popovics
